MEMORANDUM FOR CAPTAIN D. E. NIELSON, USN
OSD/SPECIAL COORDINATION STAFF

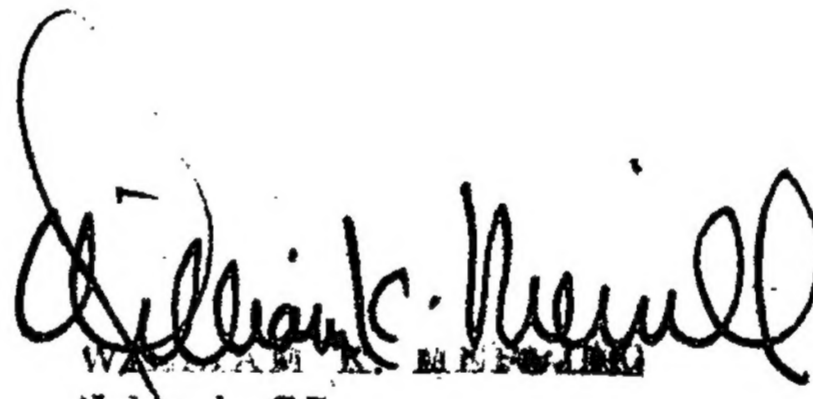

SUBJECT: Request for Information

In response to your memorandum of 31 August 1977, subject as above, inclosed are authenticated copies, provided by the General Services Administration, of the only documents available in that agency pertaining to Loran E. Hall (Tab A).

Apparently the Official Military Personnel Records of Mr. Hall were destroyed in a fire at the National Personnel Records Center in 1973. That Center has requested from the Veterans Administration Regional Office in Los Angeles, all available records pertaining to him that may be on file there.

It is anticipated any information available in that office will be received in the next few days. Upon receipt it will be hand carried to your office.

The Honorable Alan Cranston
United States Senator
11000 Wilshire Boulevard
Los Angeles, California

Dear Senator,

As a registered Democrat that has supported you in the past, I find that I must now call on you for help. I am writing to you on behalf of my husband, Loran E. Hall, who has been having difficulty with several Federal governmental agencies.

First, he recently applied for his DD-214, GI Eligibility for a home loan, through a local mortgage company. He was subsequently informed that there had been a fire in the Records Center in St. Louis and that there was no record of his military service. Now what?

Secondly, he sent a request to the FAA Headquarters in Oklahoma City for a duplicate copy of his pilot's license and was told that they can find no record of that. I really find that hard to believe.

If you will have your office contact us, I will be happy to supply you with all the necessary details. Any assistance that you can provide will be sincerely appreciated.

Thanking you in advance for your consideration and prompt attention to this matter.

Very truly yours,

Mrs. Judith E. Hall
